

Revive your Soul with Critically Acclaimed Artist's latest album, Beyond the Horizons!

By **Creative Minds @ work** - April 10, 2021

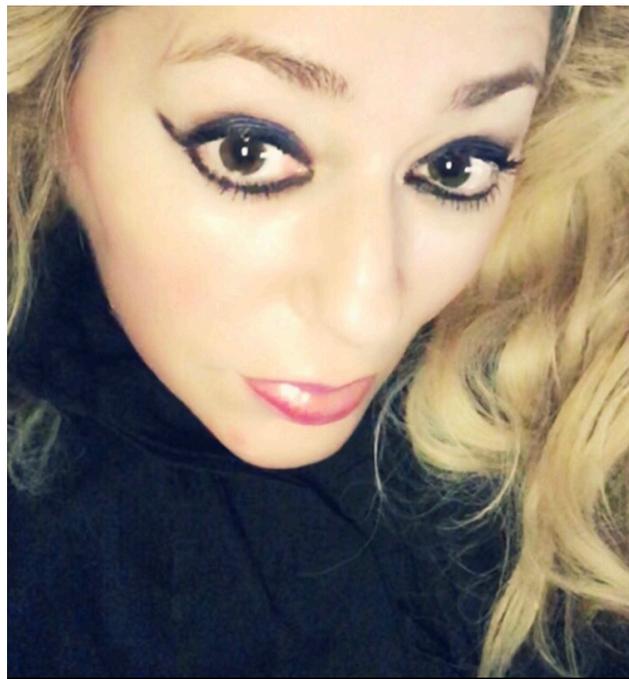

Are you tired of the blaring, aggressive tunes these days?

If you are longing for some soulful music, **Beyond the Horizons**

The album is more than just mere music. It is therapy, more than just a total of eleven songs in this album, each a burst of restoration. Mimi Novic has such a soothing voice; it caresses the most wounded heart with hope in the face of struggles. The soft piano notes are like a gentle embrace. Immensely relaxing, we must admit. It makes you feel more at ease. Mimi has ensured to create the perfect rhythm for maximum impact in the songs. Her voice turns to a whisper, and then she rises to a powerful crescendo; it restores you. It gives you a much-needed burst of positivity. If you listen closely, you can actually feel the surge of positivity course through

If we have to describe this album in two words, it would certainly be hopeful and magical. That's how **shouldn't be so surprising that Mimi Novic is a bestselling inspirational author.** Her words have touched the world. And that's why her books are ranked among the best when it comes to motivation, spirituality, and faith. That she has demonstrated the same energy when it comes to this album. Beyond the Horizons is a beautiful gift to everyone. Everyone is anxious about the pandemic. Depression and anxiety are at an all-time high, people have found themselves jobless. It is natural to feel hopeless when life becomes so utterly unpredictable. But Mimi's music is a godsend.

Mimi Novic

It gives you the spark of inspiration and motivation that you need in these difficult times. Mimi's voice

everything is going to be alright. Urging you to have faith. And as funny as it may sound, you do start to notice the change in your mindset after you have listened to this album. Your mind will subconsciously

So, the next time you are drained by your job, kids, or anything else, listen to this album. As we have said before, the meditative tracks are actually a form of self-care because you are taking care of your mind.

Beyond the Horizons is now available on all major streaming platforms. This includes Spotify, Apple Music, Amazon Music, and YouTube Music. So, do listen to this amazing album!
